Drive Up Retaining Wall Update

We have hired MRB Group as our structural
engineering firm. They have done testing and are
in the process of creating plans for us and getting
pricing for us on the repairs and changes that would
need to be made.

We apologize that it has to remain closed and
unfortunately it will not be reopening anytime soon.

Please call ahead if you have difficulty walking into
our building and we'll bring your transaction out to
your car for you. 585-352-6890

*We applied for a Small Credit Union Grant from the
NY Credit Union Foundation and were awarded
\$3000 toward the engineering costs of this project.*
