Happy Holidays!

The SFCU Staff and Volunteers would like to wish you a wonderful holiday season and extend our best wishes for health and happiness in the new year.

THANK YOU! THANK YOU! THANK YOU! Thank you to our members and friends in the community for so generously supporting Cartons for Christmas and the Angel Tree program again this year.

Our Drive Up:

We are so sorry that we have had to close our drive up. The Structural Engineering firm we hired noticed some changes in the rock retaining wall that concerned them, so we have closed it while they research options for repair or replacement. We do not have a date for reopening as they are still researching the matter.

Should it be too difficult for you to come inside our building, please call 585-352-6890 before you come to the credit union and let us know what you are planning on doing for a transaction. We can prepare it ahead of time! Once you arrive, call us from the parking lot and we will bring everything out to you.

Sorry for the inconvenience!

Our after-hours depository located next to the drive up is still being used.

EMERGENCY PREPAREDNESS CONTINGENCY PLAN

Each Year, SFCU tests our comprehensive emergency preparedness/ contingency plan in case anything should happen. Should an emergency situation occur, making it impossible for us to open, we have a “buddy banking” system available through our computer vendor and can set up at any other credit union using the same system with very little notice needed. There are several in the Rochester area. Should that type of situation ever occur, you would be notified as to where you can go to transact on your SFCU accounts by updates in the media, voice mail, or updates on our website and our Facebook Page. Let’s hope we never need to use it, but we are ready should the need arise.
